LILIES 01

International fashion icon and British textile designer, Dame Zandra Rhodes, delves into her archives to reimagine an original and recognisable print exclusively for Savoir. The new LILIES bed is inspired by Rhodes's original 'Fields of Lilies' motif designed in 1971 and adored by some of the biggest names in fashion. In signature maximalist style, the elegant arc of lilies brings an iconic expression of peace and romance to handcrafted sleep.
