Nº5

The Savvy

'A bed so comfortable you won't be able to resist an early night.'

Live fast, sleep slow. A bed for playing, for dreaming, for living. Made bespoke, for the everyday. The Savvy. A bed for real life.

For delicious early nights, late nights, sleepovers and lay ins, your N°5 features a topper of generous layers of plush cotton, with a soft wool outer layer, all wrapped in Savoir's trademark Trellis ticking.

Mood-calming natural materials make this a lullaby in mattress form, from the sumptuous layers of soft, moisture wicking and temperature-regulating wool, to the naturally bouncy, supportive horse hair layer, to the breathable cotton. Sleep is nature's balm, and this bed is powered by nature.

To create the ultimate foundation for self care, each N°5 is handcrafted to order, in our Welsh bedworks. The pine and ply frame is nailed and glued, never stapled. The 7.5 turn springs of the box frame and the mattress are wrapped in calico pockets to maintain your ideal level of support and cocooning. Your bespoke headboard is upholstered in your choice of luxury fabric. The layers of wool, needled cotton, and hair are painstakingly arranged, before everything is hand finished, sewn and tufted to perfection. We put this much care into your bed because we know it will care for you back.
